Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Thursday 12 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Breezy with scattered showers at times.

This Evening and Tonight:
Some sunny spells continuing into the evening with any isolated daytime showers in the north easing. Overnight, staying mostly dry with clear spells but with a slight risk of a passing shower. A breezy night. Minimum temperature 9 deg C (48 deg F).

Friday:
A largely dry and bright start with isolated showers developing through the morning. A few blustery showers continuing into the afternoon further north, with sunny spells between. A strong wind. Maximum temperature 21 deg C (70 deg F).

Outlook for Saturday to Monday:
Breezy with sunny spells and scattered showers on Saturday. Cloudier on Sunday with outbreaks of showery rain. A mixture of sunny spells and isolated showers on Monday. Temperatures around normal.
